

## Workshop 03: Expanding understanding and practice of teaching and assessing professionalism in dietetic education

Please find below two links to two readings I would like my participants to read prior to the workshop.

They are both Open Access articles and so participants are able to easily download themselves:

### Reading 1:

**Dart J, Ash S, McCall L, Rees CE.** ‘We are our own worst enemies’’: A qualitative exploration of sociocultural factors in dietetics education influencing student-dietitian transitions. *J Acad Nutr Diet*, 2022, In press, corrected proof <https://doi.org/10.1016/j.jand.2022.03.01>

### Reading 2:

**Dart J, McCall L, Ash S, Rees CE.** Conceptualising professionalism in dietetics: An Australasian qualitative study. *J Acad Nutr Diet*, 2022, In press, corrected proof <https://doi.org/10.1016/j.jand.2022.02.010>
